F. No. I/(22)/RPTS/110/2023-PSO

Dated: #as approved

PUBLIC NOTICE No. 09 /2024

Subject: Implementation of All India Air Transhipment Message fillings and new All India Transhipment Bond for Air-to- Air and Air-to-ICD Trans-shipment in imports at ICEGATE.

Attention of all the transhipment permission holder/ Trade /Importers is invited to earlier Public Notices issued time to time in favour of various transhipment holders as notified by various public notices, wherein procedure was specified for Transhipment of Imported goods from International Air Cargo Complex, Sahar, Andheri (East), Mumbai to other Ports or Air Cargo Complex.

2. As per the requirement of various stakeholders and in consultation with Board, a new bond type '**TA**' (Transhipment Air Global) has been implemented in ICES for transhipment of imported goods from one Air Customs site to another Air customs site and from one Air customs site to an ICD. The carriers/airliners are required to register new bond type '**TA**' **bond at any Air Customs port** and the same bond can be used for transhipment of cargo at all other Air Customs EDI ports. The Bond/BG will be debited at the time of Transhipment Permit approval by the officer at the Gateway port and the same will be re-credited at the time of *Gate in* at the destination port.

3. It is informed that there is an existing provision of '**TP bond**' for transhipment, which is a local bond and is required to be registered at a Customs port and can be used for transhipment of cargo from that port to any other port. The existing System of '**TP**' bond would continue for

/1774045/2024

handling transshipment of cargo (including Air to Air and Air to ICD) for those airlines and carriers that do not wish to submit national bond and who wish to submit only local bond.

4. Further, corresponding changes has been done in the Air Transshipment messages as well. The salient features of the procedure to be followed are given below for familiarization of various stakeholders: -

5.1. The main steps to be carried out in entire process would be as follows:

Step 1- Bond registration at any Customs port (including Gateway port).

Step II- IGM submission at Gateway port.

Step III CTM (Cargo Transshipment Manifest) Request submission at Gateway port.

Step IV - TP (Transshipment Permission) Request submission at Gateway port with new bond type 'TA'.

Step V - Approval of TP request under **ACT role** in ICES at Gateway port.

Step VI-*Gate Out* under **IFO role** in ICES at Gateway port.

Step VII - *Gate In* at destination Customs port (Bond re-credit).

Step VIII-BE Submission at destination port.

6. Further, CBIC has enabled filing of Air Transshipment (ATP) messages on ICEGATE, whereby the registered users can file the ATP EDI messages via Email or Web Upload in ICEGATE.

7. The existing facility of filing at the Service Centre would continue without change. In addition, the same facility would now be available on ICEGATE also.

8. The new processes incorporated in the Air Transshipment Module of ICEGATE is as under:

- (i) Filing of Cargo Transfer Manifest (CTM) by the user at ICEGATE.
- (ii) Approval of CTM in ICES and communication of the outcome to the user through ICEGATE.
- (iii) Filing of Request for Cancellation of CTM by the user at ICEGATE.

74045/2024

- (iv) Approval of Request for Cancellation of CTM in ICES and communication of the outcome to the user through ICEGATE.
 - (v) Filing of Request for Transshipment Permit (TP) by the user at ICEGATE.
 - (vi) Approval of TP Request in ICES and communication of the outcome to the user through ICEGATE.
 - (vii) Filing of Request for Cancellation of TP by the users at ICEGATE.
 - (viii) Approval of Request for Cancellation of TP in ICES and communication of the outcome to the user through ICEGATE.
9. The users can also avail SMTP functionality for filing ATP messages at ICEGATE. The users are requested to refer to the link <https://old.icegate.gov.in/SMTPList.html>, for obtaining SMTP mail list for respective location.
10. The users are advised to use .IN or in as file extension while filing messages through Web Upload or E-mail in the ATP module at ICEGATE.
11. The implementation of this procedure will be as per the Advisory No. 18/2022 dated 05.12.2022 and 08.12.2022 issued by Directorate General of Systems and Data Management, CBIC, New Delhi.
12. Further, any difficulty in implementation of this Public Notice may be brought to the notice of the Deputy/Assistant Commissioner of Customs, PSO Section, Air Cargo Complex, Sahar, Andheri (East) Mumbai at (accgenmum3-psy@gov.in).
