PUBLIC NOTICE NO. 04 /2026-27

Subject: International Transshipment of FCL/LCL cargo from all Ports/Airports, in view of disruption in maritime routes due to closure of the Strait of Hormuz- Section 143AA of the Customs Act, 1962 - reg.

Attention of all Importers, Exporters, Customs Brokers, Custodians, Shipping Lines, and Trade Members is invited to CBIC Circular No. 15/2026-Customs dated 27.03.2026. In view of the ongoing disruptions in maritime routes resulting in the diversion or return of export cargo, the Board has clarified that the international transshipment of both Full Container Load (FCL) and Less than full Container Load (LCL) cargo shall be permitted from all seaports and international airports.

For the purpose of expeditious processing and supervision of requests for international transshipment, and in accordance with Para 3 of the aforementioned Circular, the following officer is designated as the Nodal Officer for this jurisdiction:

- Name: Priya Ratnakar Jadhav
- Designation: Additional Commissioner of Customs
- Email ID: accgenmum3-tpsez@gov.in
- Contact Number: 7715075929

The designated Nodal Officer shall ensure that permissions for international transshipment are granted on a priority basis after due verification, by the duly authorised jurisdictional Assistant/Deputy Commissioner of Customs.

In cases where the international transshipment involves the movement of cargo to another Customs station for onward transshipment, the Nodal Officer will coordinate prior consent through official email with the transit/destination Customs station. This ensures the availability of secure storage space and logistics support before priority permission is granted.

All Trade Associations and Chambers of Commerce are requested to give wide publicity to this Public Notice among their members. Difficulties, if any, faced in the implementation of this Public Notice may be brought to the immediate notice of the undersigned.

This issues with the approval of competent authority.
