Public Notice No. 37/2024

1. The attention of trade is invited to the public notice no 39/2023 dated 19.08.2023, public notice no 40/2023 dated 21.08.2023 and public notice no. 66/2023 dtd 07.11.2023 through which registration and monitoring of export obligation was initiated through Obligation Management System (OMS) available at <https://oms.accmumbai.gov.in>. For taking full advantage of OMS, it is necessary that all registrations are migrated to the OMS and cancellation of Bond and Bank Guarantees is done only through OMS. This would help prompt release of Bond and bank guarantee and would also obviate chances of issuance of letters and notices even after cancellation of Bond.
2. Therefore, all authorisation holders- Advance Authorisation (AA) holder and EPCG authorisation holder were requested to feed their data related to old registration through OMS vide public Notice no. 66/2023 dt. 07.11.2023. However, many Advance and EPCG Authorisations are still pending for onboarding in OMS as on date. The process of feeding old data is similar to registration of new license, and the filling of the form by authorisation holder or their agents shall be through the same form for registration of new authorisation. The only difference is of self-declaration that the licence is already registered so that registration is done immediately without detailed scrutiny as required to be done in the case of new registration.
3. A list of Advance Authorisations and EPCG Authorisation pending registration in OMS is attached at Annexure A & Annexure B respectively. The Trade is requested to register these authorisations promptly in OMS. The list is not exhaustive and other list would be brought to notice of Trade after necessary reconciliation.
4. In light of the above, all authorisation holders, Custom brokers and trade are requested to upload the information related to these authorisations in OMS for complete migration to OMS.
5. In case if EODC has been issued and Bond/BG has been cancelled for any Advance or EPCG Authorisation, such EODC and cancellation letter of Bond/BG shall also be uploaded in OMS and subsequently cancelled in OMS so as to obviate chances of issuance of letters or notices on account of mismatch in data.
6. Any difficulty noticed in the implementation of the Public Notice may

be brought to the notice of the undersigned.

7. Further, any grievance can be brought to the notice of the Grievance Redressal Cell in terms of Public Notice 57/2023-24 dated 17.10.2023 at rtisevottam-expacc@gov.in.
