1. The attention of the trade is invited to the public notice 39/2023 dated 19.08.2023 and 66/2023 dated 07.11.2023 issued by this office. The Advance Authorization and EPCG License module of the Obligation Management System (OMS) is already in operation since 19.08.2023 at website <http://oms.accmumbai.gov.in>. The system has enabled expeditious registration/ cancellation/ monitoring of Authorizations, proper safekeeping of records and provide an option to the trade to complete the registration/ cancellation process without visiting the office. The list is attached with this Public Notice as Annexure-A and Annexure-B respectively. As per our records, the Authorization Holders have not submitted proof of EODC in these cases for cancellation of Bonds/ BGs.
3. Some references have been received where Authorization holders wanted to know the procedure for cancellation of such bonds through online module.
4. The existing OMS system available at website <http://oms.accmumbai.gov.in> provides online module for cancellation of Bond/BG after receipt of EODC. There are two stages to get Bond/BG cancellation on the case:
