PUBLIC NOTICE NO.24/2025-26**Subject: Removal of "Alert" in EDI System for Exporters Listed in Annexure-1 -reg**

It is to notify that some exporters have been flagged with 'Incentive Alert' status in the Customs 1.5 EDI System, primarily due to non-submission of Bank Realisation Certificates (BRCs) within the speculated time period prescribed under the Foreign Exchange Management Act (FEMA), 1999, and Rule 18 of the Customs and Central Excise Duties Drawback Rules, 2017.

Kind attention is invited to the instructions contained in DG Systems letter F. No. IV(35)/58/2012-Sys/2473 dated 18/20.11.2015 and Joint Secretary (Drawback) letter F. No.609/59/2012-DBK dated 03.06.2015 and Instruction dated 27.11.2015, wherein it was mandated to use the online new RBI-BRC Module for monitoring the realization of export proceeds in EDI for all Shipping Bills with LEO dates from 01.04.2014 onwards. To align with these directives, Public Notice No. 24 dated 15th July 2016, issued by Air Cargo Complex (ACC), Mumbai, emphasized the compulsory use of the RBI-BRC module. Based on data from this module, the names of exporters and IECs listed in Annexure-I have been identified as having pending bank realization of export proceeds.

In order to facilitate trade and address operational challenges faced by exporters, it is proposed that the 'Alert' status in the EDI system against exporters listed in Annexure-I may be considered for removal, subject to the submission and

verification of the following documents:

- Valid Bank Realisation Certificates (BRCs) from the authorized dealer bank;
- Copy of relevant Shipping Bills;
- Self-certified covering letter requesting alert removal;
- IEC details.

Upon satisfactory verification of these documents, the alert status may be reviewed and potentially removed, provided compliance and realization are duly established.

Exporters may submit these documents via email to **accdbk-xos@gov.in** (with subject line: "BRC Submission – Request for Removal of Alert – [IEC/Exporter Name]") or in hard copy to the CRU, **ACC (Export), Sahar, Mumbai** or through email at **crucdu-expacmmum@gov.in**.

Upon receipt of the required documents from exporters, the concerned officer shall verify the submissions. If found compliant, the "Alert" status in the EDI System will be revoked accordingly.

In case any exporter listed in Annexure-1 has already submitted the BRCs or experiences delays in processing, they may escalate the matter by emailing their issue to **accdbk-xos@gov.in** (Subject: "Grievance – Alert Despite BRC Submission"). Such cases will be reviewed by the **Additional/Joint Commissioner (Drawback/XOS)** for appropriate resolution.

Further, Exporters are advised to ensure timely submission of Bank Realisation Certificates (BRCs) as per the timelines prescribed under FEMA, regularly monitor the status of their incentive claims through the ICEGATE portal, and maintain active communication preferably through email with the Drawback Section for any pending BRC-related issues to prevent the initiation of recovery proceedings or the imposition of alerts.

In case the export proceeds have not been realized, the exporter shall return the said drawback along with applicable interest in terms of Public Notice No. 99/2024-25 dated 24.12.2024.

This issues with the approval of the Commissioner of Customs (Export).
ACC, Mumbai.

Public Notice: 99 /2024-25

Subject: Enabling Voluntary Payment electronically on ICEGATE e-Payment Platform- reg.

In light of board circular no. 27/2024-Customs dt. 23.12.2024 issued by Under Secretary to the Govt. of India, Central Board of Indirect Taxes and Customs enabling Voluntary payment Electronically on ICEGATE e-Payment Platform vide F.No. 450/54/2024- Cus.IV, this public notice to digitize the remaining services and to make it paperless, ICEGATE e-Payment Platform has been enabled with electronic collection of Voluntary/Self-Initiated Payments (SIP).

2. This new functionality has been envisaged to replace the existing TR-6 payments which are currently being done manually at various Customs Stations. This functionality shall enable the users to generate a self-initiated challan for voluntary payments and then make payments through the CEGATE e-payment platform without any further approval by officers of Customs.

3. While using the voluntary payment Facility at ICEGATE, the users may be sensitized on the below-mentioned aspects:

- The Voluntary Payment module will be accessible as a post-login functionality. Users must be registered on ICEGATE to access this feature;
- This facility is enabled with payments which are primarily meant for imports/exports cleared in the past. In other words, the facility is not a replacement for challans generated by ICES/ECCS/SEZ online/ACES applications. Therefore, it should not be used for payment of customs duties for clearance of any live consignments;
- The various purposes, for which the payment can be made are provided in Annexure-A, wherein, it is advised to select the same carefully while making payment.
- The proof of payment may be submitted to the concerned field formations for taking further action,
- The officer may verify the payment details using <https://foservices.icegate.gov.in/#/epayment/enquiry>. Detailed advisory for verification will be made available by DG (Systems).

4.1 Currently, ICEGATE users can make voluntary payments as a debit from the Electronic

Cash Ledger (only available for IEC holders and Customs Brokers).

4.2 In case, users wish to initiate challan-wise payment, the ICEGATE platform also allows user to make transaction-wise payment on the platform, whereby the systems design takes care of routing the payment instantaneously through Electronic Cash Ledger before accounting for duty payment. On completion of testing for voluntary payment acceptance, at present, following modes are enabled for such challan-wise payments:

- a. Nine (9) banks under internet banking through authorized bank mode.
- b. NEFT/RTGS through RBI
- c. Payment Aggregator mode

4.3 Remaining banks shall be enabled as and when the testing is complete. In all other modes, users already have an option to deposit the amount in the Electronic Cash Ledger through remaining authorized modes and use the same for making voluntary payment using Electronic Cash Ledger.

5. Since the above facility is aimed at replacing the current procedure of making Over-The-Counter (OTC) payment using TR-6 Challan, this office will not accept any payments through manual TR-6 challan after 31st December, 2024 unless the same is approved by the Concerned Pr. Commissioner/Commissioner of Customs. The approval must clearly spell out the reasons for resorting to the manual method of payment. The field officers can view the voluntary challans through 'Payment Status Voluntary Payment' option available in 'Service' section of ICEGATE portal (<http://www.icegate.gov.in>).

6. A user manual on the Voluntary/Self-Initiated Payment (SIP) facility to handhold and onboard the users has been uploaded on the ICEGATE platform (<http://www.icegate.gov.in/guidlines/voluntary-payment>).

7. The officers may be sensitized to handhold the stakeholders for making payment through the new Voluntary/Self-Initiated Payment (SIP) facility. Difficulties, if any, in the implementation of the above Public Notice may be brought to the notice of Commissioner of Customs (General), ACC, Mumbai Zone-III.

Signed by Nilank Kumar

Date: 24-12-2024 15:50:38
